THIS SALE

Will be conducted by a licensed auctioneer, and subject to the laws of the State of Illinois governing public auction sales.

Note the change from Friday to Saturday evening.

The collection of U. S. cents offered herein is one of the best and most complete that has been placed on the market for some time, and represents over 25 years diligent endeavor on Mr. Brenner's part in their accumulation. Here is the chance of a lifetime to fill in some of the blank spaces in your collection.

The gold offered in the collection from Pennsylvania contains many scarce and desirable dates and mint marks.

Terms of Sale.

1. All bids to be by the lot, irrespectiv of the number of pieces in a lot. Bids below \$1. must be in multiples of 5c, and above \$1, multiples of 10c. A bid of 67c will be construed as 65c, and a bid of \$1.83 as \$1.80, etc.
2. Regular patrons may have their goods forwarded to them only on the distinct understanding that they will send immediate payment. Auction sales are spot cash and no time allowances or credit can be permitted under any circumstances, the owner of the coins expecting prompt payment. Strangers must send satisfactory references.
3. Bids are numbered and tabulated in their order of receipt. If two or more bids on any certain lot are alike, the one first received gets the lot. If two or more unlimited bids on any certain lot are received, the first one in gets the lot at a slight advance over the highest bid.

6. It is understood that I purchase for you as your agent and execute your bids, below the limit price you name, if possible. I understand fully that the amount you name on each lot is the highest price you are willing to pay, and that I am to buy it at as much less as the next highest mail bid or those present at the sale will allow.
7. Copies of this catalog with complete selling prices may be obtained after the sale upon payment of **50 Cents**, money with order.
